

It's TEE TIME IN TENNESSEE!

Please mark your calendar and plan to participate in the 8th annual **Central High School Alumni Association Scholarship Golf Tournament.**

We invite you to bring your own team and take your shot at 18 holes of Golf. Team members may be friends, family, and/or business associates.

Contact your classmates and challenge them to a round of golf. Rekindle old rivals with other area graduates. Join us for a fun-filled event and help make a difference in a life.

We would like to thank each of you for your support. It has enabled us to provide in excess of 15 additional scholarships. Your participation will provide other young individuals a chance to further their education. Scholarships are awarded to natural or adopted descendants of a Nashville Central High School graduate or of someone who attended Nashville Central for at least two years but did not transfer to or graduate from another school.

The program has an application process that is deemed the best of all Nashville High school scholarship programs. Several area scholarship committees have requested use of our guidelines, and we are proud to have that honor.

If you live outside the Nashville or surrounding counties and are not able to field a team, we will do our best to group you with others in your situation.

If you own a business, received a scholarship from the association, or do not play golf, consider sponsoring a tee, putting green, title sponsor or driving range. Get with your classmates and go together and donate a sponsorship. Please help us make this a success by your active participation.
