

NASHVILLE CENTRAL HIGH SCHOOL ALUMNI ASSOCIATION

To: Scholarship Applicant
From: Nashville Central High School Alumni Association Scholarship Committee
Subject: Scholarship Application to a four year college or university

The Nashville Central High Alumni Association awarded the first scholarship in 1958. Since that time the association has awarded over 373 scholarships, worth over \$794,300.

Any student scheduled to graduate from high school this year can be sponsored as a scholarship applicant if he/she is a natural or adopted descendent (child, grandchild, great-grandchild) of a Nashville Central graduate or of someone who attended Nashville Central for at least two years but did not transfer to or graduate from another school.

From the initial field of applicants, a group of finalists is selected based on academic achievement and financial need. This selection is made using information provided in the attached application. All finalists will be personally interviewed by members of the Scholarship Committee who only know them by an assigned number, not name. All finalists must be present for the interview. **No phone interviews.**

The selection of finalist utilizes a standardized point system where a predetermined number of points are awarded each applicant based on his/her application. No committee member's judgment is involved. All finalists are required to be interviewed by the Scholarship Committee and are asked the same questions and judged based on guidelines established by the Committee. The Scholarship Chairperson asking the questions is the only one involved in the interview that knows the applicants' identity and that person does not participate in the rating.

Because finalists are chosen based on information submitted on the attached application, we hope you interpret our need for documentation for what it is – a procedural safeguard and nothing more. All documentary information is confidential and is viewed only by the chairperson of the scholarship committee.
